

For Release: 18 June 2025

Issue of US\$1,250,000,000 of Fixed Rate Subordinated Notes Notice under section 708A(12H)(e) of the Corporations Act 2001 (Cwlth)

Today Australia and New Zealand Banking Group Limited (ABN 11 005 357 522) ("**ANZBGL**") will issue US\$1,250,000,000 fixed rate subordinated notes due June 2036 pursuant to its US\$25,000,000,000 Medium-Term Notes Program (the "**Subordinated Notes**").

The Subordinated Notes convert into fully paid ordinary shares of ANZ Group Holdings Limited (ABN 16 659 510 791) ("**ANZGHL**") ("**ANZGHL Ordinary Shares**") where the Australian Prudential Regulation Authority ("**APRA**") determines this to be necessary on the grounds that ANZBGL would otherwise become non-viable.

This notice is given jointly by ANZBGL and ANZGHL. It is a cleansing notice prepared for the purposes of section 708A(12H)(e) of the Corporations Act 2001 (Cwlth) ("**Corporations Act**") (as inserted by ASIC Corporations (Regulatory Capital Securities) Instrument 2016/71) to enable ANZGHL Ordinary Shares or Approved NOHC Ordinary Shares¹ issued on conversion of the Subordinated Notes to be freely tradeable without further disclosure and includes:

1. in Schedule 1, the description of the rights and liabilities attaching to the Subordinated Notes that has been extracted from the terms of the Subordinated Notes dated 18 June 2025;
2. in Schedule 2, commercial particulars of the Subordinated Notes, extracted from the Pricing Supplement for the Subordinated Notes dated 10 June 2025; and
3. in Schedule 3, the description of the rights and liabilities attaching to ANZGHL Ordinary Shares.

Words and expressions defined in Schedule 1 have the same meanings in the remainder of this cleansing notice unless the contrary intention appears.

The issue of Subordinated Notes by ANZBGL will not have a material impact on ANZBGL's or ANZGHL's financial position. If a Non-Viability Trigger Event occurs and ANZGHL issues ANZGHL Ordinary Shares, the impact of Conversion on ANZGHL would be to increase ANZGHL's shareholders' equity. The number of ANZGHL Ordinary Shares issued on Conversion is limited to the Maximum Conversion Number. The Maximum Conversion Number is 52,798.3105 ANZGHL Ordinary Shares per Subordinated Note (with a nominal value of US\$200,000), based on the Issue Date VWAP² of US\$18.94.

As a disclosing entity, ANZGHL is subject to regular reporting and disclosure obligations under the Corporations Act and ASX Listing Rules. Broadly, these obligations require ANZGHL to prepare and lodge with the Australian Securities and Investments Commission ("**ASIC**") both yearly and half yearly financial statements and to report on its operations during the relevant accounting period, and to obtain an audit or review report from its auditor.

Copies of documents lodged with ASIC may be obtained from or inspected at an ASIC office.

ANZGHL must ensure that the ASX is continuously notified of information about specific events and matters as they arise for the purposes of the ASX making the information available to the Australian securities market. In this regard, ANZGHL has an obligation under the ASX Listing Rules (subject to certain exceptions) to notify the ASX immediately of any information concerning it of which it becomes aware, which a reasonable person would expect to have a material effect on the price or value of its quoted securities.

ANZGHL will provide a copy of any of the following documents free of charge to any person who requests a copy before the Subordinated Notes are issued:

¹ Refer to Schedule 1 for the meaning of "**Approved NOHC Ordinary Shares**" in the context of the Subordinated Notes.

² Average of the daily volume weighted average sale prices of ANZGHL Ordinary Shares. Refer to Schedule 1 for the meaning of "**Issue Date VWAP**" in the context of the Subordinated Notes.

- any continuous disclosure notices given by ANZGHL in the period after the lodgement of the annual financial report of ANZGHL for the year ended 30 September 2024 and before the date of this notice;
- ANZGHL's consolidated financial report and dividend announcement for the half year ended 31 March 2025;
- ANZGHL's annual financial report for the year ended 30 September 2024; and

SCHEDULE 1 – Description of rights and liabilities attaching to the Subordinated Notes

Australia and New Zealand Banking Group Limited

[Reverse of Fixed Rate Subordinated Notes (Subject to Conversion)]

- 1 This Security is one of a duly authorized issue of securities of the Issuer (herein called the “**Securities**”), issued and to be issued in one or more series in accordance with the Second Amended and Restated Fiscal Agency Agreement, dated as of May 6, 2016 (as amended, from time to time, herein called the “**Fiscal Agency Agreement**”), between the Issuer and The Bank of New York Mellon, as Fiscal Agent (herein called the “**Fiscal Agent**”, which term includes any successor fiscal agent under the Fiscal Agency Agreement), to which Fiscal Agency Agreement reference is hereby made for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Issuer, the Fiscal Agent and the holders of the Securities and of the terms upon which the Securities are, and are to be, authenticated and delivered. Copies of the Fiscal Agency Agreement are on file and available for inspection at the corporate trust office of the Fiscal Agent in the Borough of Manhattan, The City of New York. This Security is one of the series (this “**series**”) designated on the face hereof, limited in aggregate Principal Amount to U.S.\$25,000,000,000 (or the equivalent thereof in any other currency or currencies or currency units or composite currencies) outstanding at any one time (which amount may be increased at the option of the Issuer if in the future it determines that it may wish to sell additional Securities of this series).

The Securities of this series are unsecured, direct, subordinated and general obligations of the Issuer and will rank in a Winding Up of the Issuer behind all claims of Other Creditors (as defined in Section 7), and, subject to Section 8A, *pari passu* with Equal Ranking Securities (as defined in Section 7) and ahead of Junior Ranking Securities (as defined in Section 7). The Securities of this series will not constitute deposit liabilities or protected accounts of the Issuer in the Commonwealth of Australia for the purposes of the Banking Act 1959 of Australia and are not insured by the Federal Deposit Insurance Corporation or any other government, governmental agency or compensation scheme of Australia, the United States or any other jurisdiction or by any party.

- 2 The Securities of this series are issuable in fully registered form and rank *pari passu* without any discrimination, preference or priority among them whatsoever. Unless otherwise specified on the face of the Security, the Securities of this series are issuable in the authorized minimum denomination of U.S.\$200,000 (or the equivalent thereof in any other currency or currencies or currency units or composite currencies) and integral multiples of U.S.\$1,000 (or the equivalent

(Reverse of Security continued on next page)

thereof in any other currency or currencies or currency units or composite currencies) above that amount.

- 3 (a) The interest payable on any Interest Payment Date shall be the amount of interest accrued from, and including, the immediately preceding Interest Payment Date to which interest has been paid or duly provided for (or, if no interest has yet been paid, from and including the Issue Date), to, but excluding, such Interest Payment Date or the Stated Maturity or such earlier date as the Principal Amount shall become due in accordance with the terms hereof, as the case may be. The rate of interest on this Security may be reset on one or more Interest Reset Dates if any such dates are specified on the face of this Security.

(b) The Reset Rate that shall take effect on each Interest Reset Date shall be the Reset Rate on the corresponding Reset Determination Date.

The Reset Rate determined in accordance with this Section 3(b) will be adjusted by the addition or subtraction of the Reset Spread, if any, specified on the face of this Security.

Payments of interest hereon with respect to any Interest Payment Date or at maturity will include interest accrued to but excluding such Interest Payment Date or such maturity date, as the case may be. Interest hereon shall be computed on the basis of a 360-day year of twelve 30-day months unless an Alternative Day Count Convention is specified on the face hereof.

Unless otherwise specified on the face hereof, if any Interest Payment Date for this Security falls on a day that is not a Business Day, the interest payment shall be postponed to the next succeeding Business Day, and no interest on such payment shall accrue for the period from and after the Interest Payment Date. If the maturity date or any earlier Redemption Date with respect to this Security falls on a day that is not a Business Day, the payment of principal, and interest otherwise due on such day will be made on the next succeeding Business Day, and no interest on such payment shall accrue for the period from and after such maturity date or Redemption Date, as the case may be.

(Reverse of Security continued on next page)

“Reset Business Day” means a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign deposits) in the City of Sydney, The City of New York and the City of London and any other location specified on an Addendum hereto, if applicable.

“Reset Determination Date” means the second Reset Business Day immediately preceding the Interest Reset Date.

“Reset Rate” means,

(i) if “U.S. Treasury Rate” is specified as the Reset Rate on the face of this Security, the interest rate (expressed as a percentage per annum) determined by the Calculation Agent to be the per annum rate equal to the yield to maturity for U.S. Treasury securities with the Index Maturity specified on the face of this Security, as published in the most recent H.15; or

(ii) if “Other” is specified as the Reset Rate on the face of this Security, the interest rate (expressed as a percentage per annum) determined in accordance with an Addendum hereto.

References in this Security to **“U.S. dollars”** shall mean, as of any time, the coin or currency that is then legal tender for the payment of public and private debts in the United States of America.

References in this Security to the **“euro”** shall mean, as of any time, the coin or currency that is then legal tender for the payment of public and private debts in all EMU Countries.

“EMU Countries” means, at any time, the countries then participating in the European Economic and Monetary Union (or any successor union) that, as of that time, have adopted a single currency pursuant to the Treaty on European Union of February 1992 (or any successor treaty), as it may be amended from time to time.

References in this Security to a particular currency other than U.S. dollars and euros shall mean, as of any time, the coin or currency that is then legal tender for the payment of public and private debts in the country issuing such currency on the Issue Date.

If the Specified Currency for any payment on this Security is other than U.S. dollars, the Issuer has initially appointed the institution named on the face of this Security as Exchange Rate Agent to act as such agent with respect to this Security, but the Issuer may, in its sole discretion, appoint any other institution (including any affiliate of the Issuer) to serve as such agent from time to time. The Issuer will give the Fiscal Agent

(Reverse of Security continued on next page)

prompt written notice of any change in any such appointment. Insofar as this Security provides for any such agent to obtain rates, quotes or other data from a bank, dealer or other institution for use in making any determination hereunder, such agent may do so from any institution or institutions of the kind contemplated hereby notwithstanding that any one or more of such institutions are any such agent, affiliates of any such agent or affiliates of the Issuer.

All determinations made by the Exchange Rate Agent may be made by such agent in its sole discretion and, absent manifest error, shall be conclusive for all purposes and binding on the holder of this Security and the Issuer. The Exchange Rate Agent shall not have any liability therefor.

- 4 The Issuer shall maintain in the Borough of Manhattan, The City of New York, an office or agency where Securities of this series may be surrendered for registration of transfer or exchange. The Issuer has initially appointed the corporate trust office of the Fiscal Agent in the Borough of Manhattan, The City of New York, as its agent (a “**Transfer Agent**”) for such purpose and has agreed to cause to be kept at such office a register in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Securities and registration of transfers of Securities. The Issuer reserves the right to vary or terminate the appointment of the Fiscal Agent as security registrar or of any Transfer Agent or to appoint additional or other registrars or Transfer Agents or to approve any change in the office through which any security registrar or any Transfer Agent acts, provided that there will at all times be a security registrar in the Borough of Manhattan, The City of New York.

The transfer of this Security is registrable on the aforementioned register upon surrender of this Security at the corporate trust office of the Fiscal Agent or any Transfer Agent duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Fiscal Agent duly executed by, the registered holder thereof or his attorney duly authorized in writing. Upon such surrender of this Security for registration of transfer, the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of like tenor and form, dated the date of authentication thereof, of an authorized denomination or authorized denominations and of a like aggregate Principal Amount.

At the option of the registered holder upon request confirmed in writing, Securities may be exchanged for Securities of an authorized denomination or authorized denominations and of a like tenor, form and aggregate Principal Amount upon surrender of the Securities to be exchanged at the office of any Transfer Agent or at the corporate trust office of the Fiscal Agent. Whenever any Securities are so surrendered for exchange,

(Reverse of Security continued on next page)

the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver, the Securities which the registered holder making the exchange is entitled to receive. Any registration of transfer or exchange will be effected upon the Transfer Agent or the Fiscal Agent, as the case may be, being satisfied with the documents of title and identity of the person making the request and subject to such reasonable regulations as the Issuer may from time to time agree with the Transfer Agents and the Fiscal Agent.

In the event of a redemption of the Securities in part, the Issuer shall not be required (i) to register the transfer of or exchange any Security during a period beginning at the opening of business 15 calendar days before, and continuing until, the date notice is given identifying the Securities to be redeemed, or (ii) to register the transfer of or exchange any Security, or portion thereof, called for redemption.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits, as the Securities surrendered upon such registration of transfer or exchange. No service charge shall be made for any registration of transfer or exchange, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith, other than an exchange in connection with a partial redemption of a Security not involving any registration of a transfer.

Prior to due presentment of this Security for registration of transfer, the Issuer, the Fiscal Agent and any agent of the Issuer or the Fiscal Agent may treat the person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Issuer nor the Fiscal Agent or any such agent shall be affected by notice to the contrary.

5 The Issuer shall pay to the Fiscal Agent at its principal corporate trust office in the Borough of Manhattan, The City of New York, on or prior to each Interest Payment Date, any date on which this Security is to be redeemed in accordance with its terms (each a “**Redemption Date**”) and the maturity date of this Security, in such amounts sufficient (with any amounts then held by the Fiscal Agent and available for the purpose) to pay the interest on, the redemption price of and accrued interest (if the Redemption Date is not an Interest Payment Date) on, and the principal of, the Securities due and payable on such Interest Payment Date, Redemption Date or maturity date, as the case may be. The Fiscal Agent shall apply the amounts so paid to it to the payment of such interest, redemption price and principal in accordance with the terms of the Fiscal Agency Agreement and this Security.

Any monies paid by the Issuer to a Paying Agent for the payment of the principal of or interest on any Securities and remaining unclaimed at the end of two years

(Reverse of Security continued on next page)

after such principal or interest shall have become due and payable (whether at maturity, upon call for redemption or otherwise) shall then be repaid (without interest) to the Issuer, and upon such repayment all liability of the Fiscal Agent with respect thereto shall cease, without, however, limiting in any way any obligation the Issuer may have to pay the principal of and interest on this Security as the same shall become due.

- 6 (a) All payments of, or in respect of, principal of and interest on this Security will be made without withholding or deduction for, or on account of, any taxes, assessments or other governmental charges (“**Relevant Tax**”) imposed or levied by or on behalf of Australia or any political subdivision or taxing authority in or of Australia and/or where the Issuer is acting through a branch, the jurisdiction in which the branch is located or any political subdivision or taxing authority in or of that jurisdiction (each a “**Relevant Jurisdiction**”) unless the withholding or deduction is required by law. In that event, the Issuer will pay such additional amounts of, or in respect of, the principal of, and any interest on, this Security (“**Additional Amounts**”) as will result (after deduction of such taxes, duties, assessments or governmental charges and any additional taxes, duties, assessments or governmental charges payable in respect of such Additional Amounts) in the payment to the holder of this Security of the amounts which would have been payable in respect of this Security had no such withholding or deduction been required, except that no Additional Amounts shall be payable:
- (i) to the extent that the Relevant Tax is imposed or levied by virtue of the holder, or the beneficial owner, of this Security having some connection (whether present, past or future) with a Relevant Jurisdiction, other than mere receipt of such payment or being a holder, or the beneficial owner, of this Security;
 - (ii) to the extent that the Relevant Tax is imposed or levied by virtue of the holder, or the beneficial owner, of this Security not complying with any statutory requirements or not having made a declaration of non-residence in, or lack of connection with, a Relevant Jurisdiction or any similar claim for exemption (including supplying an appropriate tax file number or Australian Business Number), if the Issuer, or any other agent of the Issuer, has provided a holder, or beneficial owner, of this Security with at least 60 days’ prior written notice of an opportunity to comply with such statutory requirements or make a declaration or claim;
 - (iii) to the extent that the Relevant Tax is imposed or levied by virtue of a holder, or beneficial owner, of this Security having presented for payment more than 30 days after the date on which the payment in respect of this Security

(Reverse of Security continued on next page)

first became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

- (iv) to the extent that the Relevant Tax is imposed or levied by virtue of a holder of this Security being an Offshore Associate of the Issuer (acting other than in the capacity of a clearing house, paying agent, custodian, funds manager or responsible entity of a registered scheme within the meaning of the Corporations Act 2001 of Australia). “**Offshore Associate**” means an associate (as defined in section 128F of the Income Tax Assessment Act 1936 of Australia and successor legislation) of the Issuer that is either a non-resident of Australia which does not acquire this Security in carrying on a business at or through a permanent establishment in Australia or, alternatively, a resident of Australia that acquires this Security in carrying on business at or through a permanent establishment outside of Australia;
- (v) to the extent that the Relevant Tax is imposed or levied as a result of the holder being party to or participating in a scheme which had the dominant purpose of avoiding tax, being a scheme which the Issuer was neither a party to nor participated in;
- (vi) to the extent that the Relevant Tax is imposed or levied by virtue of a holder, or the beneficial owner, of this Security having presented this Security for payment in a Relevant Jurisdiction, unless this Security could not have been presented for payment elsewhere; or
- (vii) any combination of the above.

In addition, any amounts to be paid on this Security will be paid and any Ordinary Shares to be issued to a holder on Conversion of a Security will be issued to the holder, net of any deduction or withholding imposed or required pursuant to Sections 1471 through 1474 of the United States Internal Revenue Code of 1986, as amended (the “**Code**”), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to Section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such Sections of the Code (a “**FATCA Withholding**”), and no Additional Amounts will be required to be paid and no additional Ordinary Shares will be required to be issued on account of any such deduction or withholding.

(b) No Additional Amounts shall be paid with respect to any payment of, or in respect of, the principal of or interest on, this Security to any such holder who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the

(Reverse of Security continued on next page)

extent such payment would, under the laws of the Commonwealth of Australia or any political subdivision or taxing authority thereof or therein, be treated as being derived or received for tax purposes by a beneficiary or settlor with respect to such fiduciary or a member of such partnership or a beneficial owner who would not have been entitled to such Additional Amounts had it been the holder of this Security.

(c) Whenever in this Security there is mentioned, in any context, any payment of, or in respect of, the principal of or interest on, this Security, such mention shall be deemed to include mention of the payment of Additional Amounts provided for in Section 6(a) to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the provisions of such Section.

(d) At least 10 days prior to each date on which any payment under or with respect to this Security is due and payable, if the Issuer will be obligated to pay Additional Amounts with respect to such payment, the Issuer will deliver to the Fiscal Agent and the Paying Agent an Officer's Certificate (as hereinafter defined) stating the fact that such Additional Amounts will be payable and the amounts so payable and will set forth such other information necessary to enable the Fiscal Agent and such Paying Agent to pay such Additional Amounts to the holders on the payment date; ***provided, however***, that if 10 days prior to each date on which any such payment is due and payable the amount of such payment has not yet been determined, the Issuer shall notify the Fiscal Agent of such amount promptly after such amount has been determined.

7 (a) Prior to the commencement of a Winding Up of the Issuer (as hereinafter defined) (i) the obligations of the Issuer to make any payment of the principal of and interest on or any other amounts (including Additional Amounts) payable in respect of this Security shall be conditional upon the Issuer being Solvent (as hereinafter defined) at the time the obligation to make such payment falls due and (ii) no payment of principal, interest, Additional Amounts or any other amount payable in respect of this Security shall be made in respect of this Security except to the extent that the Issuer may make any such payment and still be Solvent immediately thereafter.

For the purposes of this Section 7, the Issuer shall be considered to be "Solvent" if (A) the Issuer is able to pay all its debts as and when they become due and payable and (B) the Issuer's assets exceed its liabilities, in each case determined on an unconsolidated stand-alone basis. A certificate as to whether the Issuer is Solvent signed by two authorized officers of the Issuer, an auditor of the Issuer or, if the Issuer is being wound up, its liquidator, shall be conclusive evidence of the information contained therein in the absence of willful default, bad faith or manifest error. Neither the Fiscal Agent nor any Paying Agent is obliged to obtain any such certificate prior to any due date for payment

(Reverse of Security continued on next page)

of any amount in respect of this Security or at any other time. In the absence of such a certificate, the Fiscal Agent, each Paying Agent and the holder of this Security shall be entitled to assume (unless the contrary is proved) that the Issuer is Solvent and will be Solvent immediately after any payment referred to above is made.

(b) On the Winding-Up of the Issuer, the rights and claims of the holder of this Security against the Issuer to recover any sums payable in respect of this Security shall be subordinate and junior in right of payment to the obligations of the Issuer to Other Creditors (as hereinafter defined), to the extent that all obligations of the Issuer to Other Creditors shall be entitled to be paid in full prior to any payment of the principal of or interest on or any other amounts (including Additional Amounts) payable in respect of this Security and, subject to Section 8A, shall rank *pari passu* with Equal Ranking Securities and ahead of Junior Ranking Securities.

(c) If there is a Winding Up in respect of the Issuer and, notwithstanding paragraph (b) above, the Fiscal Agent, the Paying Agent or the holder of this Security receives any payment or distribution of the assets of the Issuer of any kind or character, whether in cash, property or securities, including any such payment or distribution which may be payable or deliverable by reason of the payment of any other indebtedness of the Issuer being subordinated to the payment of this Security, before all the claims of Other Creditors are paid in full or payment thereof is duly provided for, and if such fact shall, at or prior to the time of such payment or distribution, have been made known to the Fiscal Agent, the Paying Agent or, as the case may be, the holder of this Security, then and in such event such payment or distribution shall be paid over or delivered forthwith to the trustee in bankruptcy, receiver, liquidating trustee, custodian, assignee, agent or other person making payment or distribution of assets of the Issuer for application to the payment of all claims of the Other Creditors remaining unpaid, to the extent necessary to pay all such claims in full, after giving effect to any concurrent payment or distribution to or for the account of the Other Creditors.

(d) Neither the Issuer nor a holder of this Security has any contractual right to set off any sum at any time due and payable to a holder or the Issuer (as applicable) under or in relation to this Security against amounts owing by the holder to the Issuer or by the Issuer to the holder (as applicable).

(e) On a Winding Up of the Issuer, the holder of this Security shall only be entitled to prove for any sums payable in respect of this Security as a debt which is subject to and contingent upon prior payment in full of the obligations of the Issuer to the Other Creditors, and the holder of this Security waives to the fullest extent permitted by law any right to prove in the Winding Up as a creditor of the Issuer ranking for payment in any other manner.

(Reverse of Security continued on next page)

(f) The provisions of this Section shall not affect or prejudice the payment of any amounts by the Issuer in respect of costs, charges, expenses, liabilities, indemnities or remuneration of the Fiscal Agent or any Paying Agent pursuant to the Fiscal Agency Agreement or the rights and remedies of the Fiscal Agent or the Paying Agent in respect thereof.

(g) For the purposes of this Section 7, “**Other Creditors**” means all present and future creditors of the Issuer (including but not limited to depositors of the Issuer) whose claims (i) would be entitled to be admitted in the Winding Up of the Issuer and (ii) are not in respect of Equal Ranking Securities or Junior Ranking Securities.

(h) For the purposes of this Section 7 and Section 9, “**Winding Up**” shall mean any procedure whereby the Issuer may be wound-up, dissolved, liquidated or cease to exist as a body corporate whether brought or instigated by a holder of this Security or any other person and whether or not involving insolvency or bankruptcy, but shall exclude any Winding Up under or in connection with a scheme of amalgamation or reconstruction not involving our bankruptcy or insolvency where the obligations of the Issuer are assumed by a successor to which all, or substantially all, of the property, assets and undertaking of the Issuer are transferred or where an arrangement with similar effect not involving a bankruptcy or insolvency is implemented.

(i) For the purposes of this Section 7, “**Equal Ranking Securities**” means any present or future instrument that ranks in a Winding Up of the Issuer as the most junior claim in the Winding Up of the Issuer ranking senior to Junior Ranking Securities, and includes any instruments issued as Relevant Tier 2 Securities (as defined in Section 8A.4).

(j) For the purposes of this Section 7, “**Junior Ranking Securities**” means any present or future instrument (i) issued as Tier 1 Capital and (ii) that by its terms is, or is expressed to be, subordinated in a Winding Up of the Issuer to the claims of holders of the Securities of this series and other Equal Ranking Securities.

(k) Any amount not paid due to Section 7(a) or Section 9(d), remains a debt owing to the holder of this Security by the Issuer until it is paid and will be payable on the first date on which payment can be made in compliance with the relevant Section.

8 (a) If specified on the face of this Security and subject to the prior written approval of Australian Prudential Regulation Authority (“APRA”) having been obtained, the Securities of this series may be redeemed, as a whole but not in part, at the option of the Issuer, at a redemption price equal to 100% of the Principal Amount of the Securities to be redeemed together with interest accrued to the date fixed for redemption, if a Regulatory Event occurs, **provided, however**, that (1) the

(Reverse of Security continued on next page)

Issuer shall deliver to the holder of this Security an opinion of counsel confirming that the conditions that must be satisfied for such redemption have occurred and (2) the Issuer will not be permitted to redeem this Security unless the Security is replaced concurrently or beforehand with Regulatory Capital of the same or better quality and the replacement of the Security is done under conditions that are sustainable for the Issuer's income capacity or APRA is satisfied that the Issuer's capital position at Level 1, Level 2 and, if applicable, Level 3 (each as defined in Section 8A.4 below) is well above its minimum capital requirements after the Issuer elects to redeem this Security. Immediately prior to the giving of any notice of redemption of Securities pursuant to this subsection (a), the Issuer will deliver to the Fiscal Agent an Officer's Certificate stating that the Issuer is entitled to effect such redemption and setting forth in reasonable detail a statement of facts showing that the conditions precedent to the right of the Issuer to so redeem the Securities have occurred.

For the purposes of this Security, "**Regulatory Event**" shall mean the receipt by the directors of the Issuer of (x) an opinion from a reputable legal counsel that as a result of any amendment to, clarification of or change (including any announcement of a change that has been or will be introduced) in, any law or regulation in any Relevant Jurisdiction, or any official administrative pronouncement or action or judicial decision interpreting or applying such laws or regulations, which amendment, clarification or change is effective, or pronouncement, action or decision is announced, after the Issue Date or (y) an official written statement from APRA that, in each case, the Issuer is not or will not be entitled to treat all Securities of a series as Tier 2 Capital (as defined in Section 8A.4), provided that, in each case, on the Issue Date, the Issuer did not expect that matters giving rise to the Regulatory Event would occur.

For the purposes of this Security, "**Regulatory Capital**" shall mean a Tier 1 Capital Security or a Tier 2 Capital Security.

(b) If specified on the face of this Security and subject to the prior written approval of APRA having been obtained, the Securities of this series may be redeemed, as a whole but not in part, at the option of the Issuer, at a redemption price equal to 100% of the Principal Amount of the Securities to be redeemed together with interest accrued to the date fixed for redemption, if, as a result of any amendment to, or change in, the laws or regulations of a Relevant Jurisdiction, or any amendment to or change in an official interpretation or application of such laws or regulations, which amendment or change is effective after the Issue Date and which amendment or change the Issuer did not expect as of the Issue Date, the Issuer will become obligated to pay Additional Amounts (as provided in Section 6(a) hereof), and such obligation cannot be avoided within 60 days of such tax event by the Issuer by filing a form, making an election or taking some

reasonable measure that in the Issuer's sole judgment will not be adverse to the Issuer and will involve no material cost to the Issuer, provided, however, that (1) the Issuer shall deliver to the holder of this Security an opinion of counsel confirming that the conditions that must be satisfied for such redemption have occurred; and (2) the Issuer will not be permitted to redeem this Security unless the Security is replaced concurrently or beforehand with Regulatory Capital (as defined above) of the same or better quality and the replacement of the Security is done under conditions that are sustainable for the Issuer's income capacity or APRA is satisfied that the Issuer's capital position at Level 1, Level 2 and, if applicable, Level 3 is well above its minimum capital requirements after the Issuer elects to redeem this Security. Immediately prior to the giving of any notice of redemption of Securities pursuant to this subsection (b), the Issuer will deliver to the Fiscal Agent an Officer's Certificate stating that the Issuer is entitled to effect such redemption and setting forth in reasonable detail a statement of facts showing that the conditions precedent to the right of the Issuer to so redeem the Securities have occurred.

(c) If this Section is specified as applicable on the face hereof, this Security is subject to redemption, on the Optional Redemption Date, as a whole but not in part, at the option of the Issuer (but subject to the prior written approval of APRA having been obtained and provided that the Issuer will not be permitted to redeem this Security unless the Security is replaced concurrently or beforehand with Regulatory Capital of the same or better quality and the replacement of the Security is done under conditions that are sustainable for the Issuer's income capacity or APRA is satisfied that the Issuer's capital position at Level 1, Level 2 and, if applicable, Level 3 is well above its minimum capital requirements after the Issuer elects to redeem this Security), at the Redemption Price specified on the face hereof (expressed as a percentage of the Principal Amount of this Security), together in the case of any such redemption with accrued interest (unless such date is an Interest Payment Date) to, but excluding, the Optional Redemption Date (but interest installments due on or prior to the Optional Redemption Date will be payable to the holder of record of this Security at the close of business on the relevant record dates).

(d) In the case of any partial redemption of Securities, the Issuer will give the holder written notice of the Principal Amount of the Securities to be redeemed not less than 10 days nor more than 60 days prior to the Redemption Date unless otherwise specified on the face hereof for the Outstanding Securities of a like tenor not previously called for redemption, by such method as the Fiscal Agent shall deem fair and appropriate and which may provide for the selection for redemption of portions equal to at least the minimum authorized denomination of such Securities.

(e) Notices to redeem Securities shall be given in writing and given by first-class mail (postage prepaid), by overnight courier or by facsimile or other electronic means of transmission (including e-mail) to each holder of Securities at his or her address

(Reverse of Security continued on next page)

as it appears in the register hereinabove referred to. Such notice will be given once not more than 60 days nor less than 10 days prior to the date fixed for redemption. In case it shall be impracticable to give such notice by mail, by overnight courier or by facsimile or other electronic means of transmission, then such notification in lieu thereof as shall be made by the Issuer or by the Fiscal Agent on behalf of and at the instruction of the Issuer shall constitute sufficient provision of such notice, if such notification shall, so far as may be practicable, approximate the terms and conditions of the notice in lieu of which it is given. Neither the failure to give notice nor any defect in any notice given to any particular holder of a Security shall affect the sufficiency of any notice with respect to that holder or any other holders. Such notices will be deemed to have been given on the date that such notice is given in the manner herein provided. Notices to redeem Securities shall specify the date fixed for redemption, the applicable redemption price, the place or places of payment, that payment will be made upon presentation and surrender of the Securities to be redeemed (or portion thereof in the case of a partial redemption), that interest accrued to the date fixed for redemption (unless such date is an Interest Payment Date) will be paid as specified in said notice, and that on and after said date interest thereon will cease to accrue. If the redemption is pursuant to Section 8(a) or Section 8(b) hereof, such notice shall also state that the conditions precedent to such redemption have occurred and state that the Issuer has elected to exercise its option to redeem the Securities pursuant to Section 8(a) or Section 8(b), as the case may be.

Notwithstanding anything in this Security to the contrary, where this Security provides for notice of any event to a holder of a Global Security, such notice shall be sufficiently given if given in writing to the depositary for such Security (or its designee), not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice.

(f) Any Security which is to be redeemed only in part shall be surrendered with, if the Issuer or the Fiscal Agent so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Fiscal Agent duly executed by, the holder thereof or his attorney duly authorized in writing, and the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver to the registered holder of such Security without service charge, a new Security or Securities of like form and tenor, of any aggregate Principal Amount equal to and in exchange for the unredeemed portion of the principal of the Registered Security so surrendered.

(g) The Issuer and any of its Related Entities (as defined in Section 8A.4) may, to the extent permitted by applicable laws and regulations, at any time purchase this Security in the open market or otherwise, provided that the Issuer may not purchase, or procure that any of its Related Entities purchase, any Security without the prior written consent of APRA.

(Reverse of Security continued on next page)

Holders of this Security should not expect that APRA's approval will be given for any redemption or purchase of this Security.

8A.1 A “**Non-Viability Trigger Event**” means the earlier of:

- (a) the issuance to the Issuer of a written determination from APRA that conversion or write-off of Relevant Securities is necessary because, without it, APRA considers that the Issuer would become non-viable; or
- (b) a determination by APRA, notified to the Issuer in writing, that without a public sector injection of capital, or equivalent support, the Issuer would become non-viable,

each such determination being a “**Non-Viability Determination**”.

8A.2 **OPTION 1: CONVERSION WITH A FALL BACK TO WRITE-OFF**

- (a) If a Non-Viability Trigger Event occurs:
 - (i) on the Trigger Event Date, subject only to subsection (e) of this Section 8A.2, such Principal Amount of the Securities will immediately Convert as is required by the Non-Viability Determination provided that:
 - (A) where the Non-Viability Trigger Event occurs under Section 8A.1(a) and such Non-Viability Determination does not require all Relevant Securities to be converted into Ordinary Shares or written-off, such Principal Amount of the Securities shall Convert as is sufficient (determined by the Issuer in accordance with subsection (a)(ii) of this Section 8A.2) to satisfy APRA that the Issuer is viable without further conversion or write-off; and
 - (B) where the Non-Viability Trigger Event occurs under Section 8A.1(b), all the Principal Amount of the Securities will immediately Convert;
 - (ii) the Issuer will determine the Principal Amount of Securities which must be Converted in accordance with subsection (a)(i)(A) of this Section 8A.2, on the following basis:
 - (A) first, convert into Ordinary Shares or write-off all Relevant Tier 1 Securities; and

(Reverse of Security continued on next page)

- (B) secondly, if conversion into Ordinary Shares or write-off of all Relevant Tier 1 Securities is not sufficient to satisfy the requirements of subsection (a)(i)(A) of this Section 8A.2 (and provided that as a result of the conversion or write-off of Relevant Tier 1 Securities APRA has not withdrawn the Non-Viability Determination), Convert a Principal Amount of Securities and convert into Ordinary Shares or write-off a number or principal amount of other Relevant Tier 2 Securities on an approximately pro-rata basis or in a manner that is otherwise, in the opinion of the Issuer, fair and reasonable (subject to such adjustment as the Issuer may determine to take into account the effect on marketable parcels and the need to round to whole numbers the number of Ordinary Shares and the authorized denominations of the Principal Amount of any Securities or the number or principal amount of other Relevant Tier 2 Securities remaining on issue, and the need to effect the conversion immediately) and, for the purposes of the foregoing, where the specified currency of the principal amount of Relevant Tier 2 Securities is not the same for all Relevant Tier 2 Securities, the Issuer may treat them as if converted into a single currency of the Issuer's choice at such rate of exchange as the Issuer in good faith considers reasonable,

provided that such determination does not impede or delay the immediate Conversion of the relevant Principal Amount of Securities;

- (iii) on the Trigger Event Date, the Issuer shall determine the Securities or portions thereof as to which the Conversion is to take effect and in making that determination may make any decisions with respect to the identity of the holders of Securities at that time as may be necessary or desirable to ensure Conversion occurs in an orderly manner, including disregarding any transfers of Securities that have not been settled or registered at that time, provided that such determination does not impede or delay the immediate Conversion of the relevant Principal Amount of Securities;
- (iv) the Issuer must give notice of its determination pursuant to subsection (a)(iii) of this Section 8A.2 (a "**Trigger Event Notice**") as soon as practicable to the Fiscal Agent and the holders of Securities, which must specify:

- (A) the Trigger Event Date;

(Reverse of Security continued on next page)

- (B) the Principal Amount of the Securities Converted; and
 - (C) the relevant number or principal amount of other Relevant Securities converted or written-off;
- (v) none of the following events shall prevent, impede or delay the Conversion of Securities as required by subsection (a)(i) of this Section 8A.2:
 - (A) any failure or delay in the conversion or write-off of other Relevant Securities;
 - (B) any failure or delay in giving a Trigger Event Notice;
 - (C) any failure or delay by a holder of a Security or any other party in complying with the provisions of Section 8A.2(h);
 - (D) any requirement to select or adjust the number or Principal Amount of Securities to be Converted in accordance with Section 8A.2(a)(ii)(B) or 8A.2(a)(iii); and
 - (E) any failure or delay in quotation of Ordinary Shares to be issued on Conversion; and
- (vi) on and from the Trigger Event Date, subject to Sections 8A.2(e) and 8A.2(f)(iii)(C), the Issuer and ANZGHL shall treat the holder of any Security or portion thereof which is required to be Converted as the holder of the relevant number of Ordinary Shares and will take all such steps, including updating any register, required to record the Conversion and the issuance of such Ordinary Shares.
- (b) Where a Principal Amount of Securities is required to be Converted under this Section 8A.2, a holder of Securities or portion thereof that are subject to Conversion wishing to receive Ordinary Shares must, no later than the Trigger Event Date (or, in the case where Section 8A.2(d)(vii) applies, within 30 days of the date on which Ordinary Shares are issued upon such Conversion), have provided to the Issuer:
 - (i) its name and address (or the name and address of any person in whose name it directs the Ordinary Shares to be issued) for entry into any register of title and receipt of any certificate or holding statement in respect of any Ordinary Shares;

(Reverse of Security continued on next page)

- (ii) the security account details of such holder of Securities in CHESS (being the Clearing House Electronic Subregister System of Australia operated by the ASX or its affiliates or successors) or such other account to which the Ordinary Shares may be credited; and
- (iii) such other information as is reasonably requested by the Issuer for the purposes of enabling ANZGHL to issue the Conversion Number of Ordinary Shares to the holder of Securities,

and the Issuer has no duty to seek or obtain such information.

- (c) Subject to Section 8A.2(d) and Section 8A.2(e), if, in respect of a Conversion of Securities, ANZGHL fails to issue, on the Trigger Event Date, the Conversion Number of Ordinary Shares in respect of the relevant Principal Amount of such Securities to, or in accordance with the instructions of, the relevant holder of Securities on the Trigger Event Date or any other nominee where Section 8A.2(d) applies, the Principal Amount of such Securities which would otherwise be subject to Conversion shall remain on issue and outstanding until:

- (i) the Ordinary Shares are issued to, or in accordance with the instructions of, the holder of such Securities; or
- (ii) such Securities are Written-Off in accordance with the terms hereof;

provided, however, that the sole right of the holder of Securities in respect of Securities or portion thereof that are subject to Conversion is its right to be issued Ordinary Shares upon Conversion (subject to its compliance with Section 8A.2(b) or to receive the proceeds from their sale pursuant to Section 8A.2(d), as applicable) and the remedy of such holder in respect of ANZGHL's failure to issue the Ordinary Shares is limited (subject always to Section 8A.2(e)) to seeking an order for specific performance of ANZGHL's obligation to issue the Ordinary Shares to the Holder or where Section 8A.2(d) applies to the nominee and to receive such proceeds of sale, in each case, in accordance with the terms of the Securities. This Section 8A.2(c) does not affect the obligation of ANZGHL to issue the Ordinary Shares when required in accordance with the terms hereof.

- (d) If, in respect of a Security and a holder of that Security, the Security or portion thereof is required to be Converted and:

(Reverse of Security continued on next page)

- (i) the holder of the Security has notified the Issuer that it does not wish to receive Ordinary Shares as a result of the Conversion (whether entirely or to the extent specified in the notice), which notice may be given at any time prior to the Trigger Event Date;
- (ii) the Securities are held by a registered holder of the Security whose address in the register is a place outside Australia or who the Issuer otherwise believes may not be a resident of Australia (a “*Foreign Holder*”);
- (iii) the holder of that Security is a Clearing System Holder;
- (iv) for any reason (whether or not due to the fault of the holder of the Security) the Issuer has not received the information required by subsection (b) of this Section 8A.2 prior to the Trigger Event Date and the lack of such information would prevent ANZGHL from issuing the Ordinary Shares to the holder of the Security on the Trigger Event Date; or
- (v) a FATCA Withholding is required to be made in respect of the Ordinary Shares issued on the Conversion,

then, on the Trigger Event Date:

- (vi) where subsection (d)(i), (d)(ii) or (d)(v) of this Section 8A.2 applies, ANZGHL shall issue the Ordinary Shares to the holder of the Security only to the extent (if at all) that:
 - (A) where subsection (d)(i) of this Section 8A.2 applies, the holder of the Security has notified the Issuer that it wishes to receive them;
 - (B) where subsection (d)(ii) of this Section 8A.2 applies, the Issuer is satisfied that the laws of both the Commonwealth of Australia and the Foreign Holder’s country of residence permit the issue of Ordinary Shares to the Foreign Holder (but as to which the Issuer is not bound to enquire), either unconditionally or after compliance with conditions which the Issuer in its absolute discretion regards as acceptable and not unduly onerous; and
 - (C) where subsection (d)(v) of this Section 8A.2 applies, the issue is net of the FATCA Withholding;

(Reverse of Security continued on next page)

and, to the extent ANZGHL is not obliged to issue Ordinary Shares to the holder of the Security, ANZGHL will issue the balance of the Ordinary Shares to the nominee in accordance with subsection (d)(vii);

- (vii) otherwise, subject to applicable law, ANZGHL will issue the balance of Ordinary Shares in respect of the holder of the Security to a competent nominee (which may not be the Issuer or any of its Related Entities) and will promptly notify such holder of the name of and contact information for the nominee and the number of Ordinary Shares issued to the nominee on its behalf and, subject to applicable law and:
 - (A) subject to subsection (d)(vii)(B) of this Section 8A.2, the nominee will as soon as reasonably possible and no later than 35 days after issue of the Ordinary Shares sell those Ordinary Shares and pay a cash amount equal to the net proceeds received, after deducting any applicable brokerage, stamp duty and other taxes and charges, to the holder of the Security;
 - (B) where subsection (d)(iii) or (d)(iv) of this Section 8A.2 applies, the nominee will hold such Ordinary Shares and will transfer Ordinary Shares to such holder (or, where paragraph (d)(iii) applies, the person for whom the Clearing System Holder holds the Security) promptly after such person provides the nominee with the information required to be provided by such holder under Section 8A.2(b) (as if a reference in Section 8A.2(b) to the Issuer is a reference to the nominee and a reference to the issue of Ordinary Shares is a reference to the transfer of Ordinary Shares) but only where such information is provided to the nominee within 30 days of the date on which Ordinary Shares are issued to the nominee upon Conversion of such Security and failing which the nominee will sell the Ordinary Shares and pay the proceeds to such person in accordance with subsection (d)(vii)(A) of this Section 8A.2; and
 - (C) where subsection (d)(v) of this Section 8A.2 applies, the nominee shall deal with Ordinary Shares the subject of a FATCA Withholding and any proceeds of their disposal in accordance with FATCA;
- (viii) nothing in this subsection (d) shall affect the Conversion of the Securities of a holder who is not a person to which any of subsections (d)(i) to (d)(v) (inclusive) of this Section 8A.2 applies; and

(Reverse of Security continued on next page)

- (ix) for the purpose of this Section 8A.2(d), none of the Issuer, ANZGHL nor the nominee owes any obligations or duties to the holders in relation to the price at which Ordinary Shares are sold or has any liability for any loss suffered by a holder as a result of the sale of Ordinary Shares.
- (e) Notwithstanding any other provision of this Section 8A.2, where Securities are required to be Converted on the Trigger Event Date and Conversion of the relevant Principal Amount of the Securities that are subject to Conversion has not been effected within five Business Days after the relevant Trigger Event Date for any reason (including an Inability Event):
 - (i) the relevant Principal Amount of each Security which, but for this subsection (e), would be Converted, will not be Converted and instead will be Written-Off with effect on and from the Trigger Event Date; and
 - (ii) the Issuer shall notify the Fiscal Agent and the holders of the Securities as promptly as practically possible that Conversion of the relevant Principal Amount of the Securities has not occurred and that such Principal Amount has been Written-Off.
- (f) Each holder of Securities irrevocably:
 - (i) consents to becoming a member of ANZGHL upon the Conversion of the relevant Principal Amount of the Securities as required by this Section 8A.2 and agrees to be bound by the constitution of ANZGHL, in each case in respect of the Ordinary Shares issued to such holder on Conversion;
 - (ii) acknowledges and agrees that it is obliged to accept Ordinary Shares upon a Conversion of the Principal Amount of the Securities it holds notwithstanding anything that might otherwise affect a Conversion of such Principal Amount of Securities including:
 - (A) any change in the financial position of the Issuer or ANZGHL since the issue of such Securities;
 - (B) any disruption to the market or potential market for the Ordinary Shares or to capital markets generally; or
 - (C) any breach by the Issuer or ANZGHL of any obligation in connection with such Securities;
 - (iii) acknowledges and agrees that where Section 8A.2(a) applies:

(Reverse of Security continued on next page)

- (A) there are no other conditions to a Non-Viability Trigger Event occurring as and when provided in Section 8A.1;
 - (B) Conversion must occur immediately on the occurrence of a Non-Viability Trigger Event and that may result in disruption or failures in trading or dealings in the Securities;
 - (C) it will not have any rights to vote in respect of any Conversion and that the Security does not confer a right to vote at any meeting of members of the Issuer or ANZGHL; and
 - (D) the Ordinary Shares issued on Conversion may not be quoted at the time of issue, or at all;
- (iv) acknowledges and agrees that where Section 8A.2(e) applies, no conditions or events will affect the operation of that Section and such holder will not have any rights to vote in respect of any Write-Off under that Section and has no claim against the Issuer or ANZGHL, arising in connection with the application of that Section;
 - (v) acknowledges and agrees that such holder has no right to request a Conversion of any Principal Amount of any Securities or to determine whether (or in what circumstances) the Principal Amount of Securities it holds is Converted;
 - (vi) acknowledges and agrees that none of the following shall prevent, impede or delay the Conversion or (where relevant) Write-Off of the Principal Amount of Securities:
 - (A) any failure to or delay in the conversion or write-off of other Relevant Securities;
 - (B) any failure or delay in giving a Trigger Event Notice or other notice required by this Section 8A.2;
 - (C) any failure or delay in quotation of the Ordinary Shares to be issued on Conversion;
 - (D) any failure or delay by a holder of a Security or any other party in complying with the provisions of Section 8A.2(h);

(Reverse of Security continued on next page)

- (E) any requirement to select or adjust the number or Principal Amount of Securities to be Converted in accordance with Section 8A.2(a)(ii)(B) or 8A.2(a)(iii); and
- (vii) acknowledges and agrees that if, in respect of a Conversion, ANZGHL has issued the Conversion Number of Ordinary Shares to the holders of Securities but the Security or portion thereof has not been transferred free from encumbrance to or as directed by ANZGHL, the Security or such portion shall be Written-Off in accordance with Section 8A.2(g) without prejudice to the issue of the Ordinary Shares.
- (g) For the purposes of this Section 8A.2 “**Written-Off**” shall mean that, in respect of a Security or portion thereof that is otherwise subject to Conversion and a Trigger Event Date:
 - (i) the Security or portion thereof that is otherwise subject to Conversion will not be Converted on that date and will not be Converted or redeemed under the terms hereof on any subsequent date; and
 - (ii) with effect on and from the Trigger Event Date, the rights of the relevant holder of the Security or portion thereof (including any right to receive any payment thereunder including payments of principal and interest, both in the future and accrued but unpaid as at the Trigger Event Date) in relation to such Security or portion thereof are immediately and irrevocably terminated and written-off; and

“**Write-Off**” has a corresponding meaning.
- (h) If any Security is to be Converted or Written-Off only in part:
 - (i) the Security shall be surrendered with, if the Issuer or the Fiscal Agent so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Issuer and the Fiscal Agent duly executed by, the holder thereof or his attorney duly authorized in writing;
 - (ii) the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver to the registered holder of such Security without service charge, a new Security or Securities of this series of like form and tenor, of any aggregate Principal Amount equal to and in exchange for the non-Converted or non-Written-Off portion of the Principal Amount of the Security so surrendered; and

(Reverse of Security continued on next page)

- (iii) ANZGHL will be taken to hold (as a result of the transfer in accordance with Schedule A) a new Security with a principal amount equal to the Converted or Written-Off portion (as applicable) of the Principal Amount of the original Security, and on terms otherwise identical to the terms of such Security (the “*Affected Security*”); and
- (iv) the amount of interest payable in respect of that Security on each Interest Payment Date falling after that Trigger Event Date will be reduced and calculated on the Principal Amount of that Security as reduced on the date of the Conversion or Write-Off.
- (i) If a Non-Viability Determination takes effect, the Issuer must perform the obligations in respect of the determination immediately on the day it is received by the Issuer, whether or not such day is a Business Day.
- (j) Each holder of Securities irrevocably authorizes the Issuer to sign any document or transfer or do any other thing as may in the Issuer’s opinion be necessary or desirable to effect any transfer of the Securities the subject of the Conversion.

8A.3 *OPTION 2: WRITE-OFF*

- (a) If a Non-Viability Trigger Event occurs:
 - (i) on the Trigger Event Date, such Principal Amount of the Securities will immediately be Written-Off as is required by the Non-Viability Determination provided that:
 - (A) where the Non-Viability Trigger Event occurs under Section 8A.1(a) and such Non-Viability Determination does not require all Relevant Securities to be converted into Ordinary Shares or written-off, such Principal Amount of the Securities shall be immediately Written-Off as is sufficient (determined by the Issuer in accordance with subsection (a)(ii) of this Section 8A.3) to satisfy APRA that the Issuer is viable without further conversion or write-off; and
 - (B) where the Non-Viability Trigger Event occurs under Section 8A.1(b), all the Principal Amount of the Securities will immediately be Written-Off;
 - (ii) the Issuer will determine the Principal Amount of Securities which must be Written-Off in accordance with subsection (a)(i)(A) of this Section 8A.3, on the following basis:

(Reverse of Security continued on next page)

- (A) first, convert into Ordinary Shares or write-off all Relevant Tier 1 Securities; and
- (B) secondly, if conversion into Ordinary Shares or write-off of all Relevant Tier 1 Securities is not sufficient to satisfy the requirements of subsection (a)(i)(A) of this Section 8A.3 (and provided that as a result of the conversion or write-off of Relevant Tier 1 Securities APRA has not withdrawn the Non-Viability Determination), Write-Off a Principal Amount of Securities and convert into Ordinary Shares or write-off a number or principal amount of other Relevant Tier 2 Securities on an approximately pro-rata basis or in a manner that is otherwise, in the opinion of the Issuer, fair and reasonable and, for the purposes of the foregoing, where the specified currency of the principal amount of Relevant Tier 2 Securities is not the same for all Relevant Tier 2 Securities, the Issuer may treat them as if converted into a single currency of the Issuer's choice at such rate of exchange as the Issuer in good faith considers reasonable,

provided that such determination does not impede or delay the immediate Write-Off of the relevant Principal Amount of Securities.

- (b) On the Trigger Event Date, the Issuer shall determine the Securities or portions thereof as to which the Write-Off is to take effect and in making that determination may make any decisions with respect to the identity of the holders of Securities at that time as may be necessary or desirable to ensure Write-Off occurs in an orderly manner, including disregarding any transfers of Securities that have not been settled or registered at that time, provided that such determination does not impede or delay the immediate Write-Off of the relevant Principal Amount of Securities.
- (c) The Issuer must give notice of its determination pursuant to subsection (b) of this Section 8A.3 (a "***Trigger Event Notice***") as soon as practicable to the Fiscal Agent and the holders of Securities, which must specify:
 - (i) the Trigger Event Date;
 - (ii) the Principal Amount of the Securities Written-Off; and
 - (iii) the relevant number or principal amount of other Relevant Securities converted or written-off.

(Reverse of Security continued on next page)

- (d) None of the following events shall prevent, impede or delay the Write-Off of Securities as required by subsection (a)(i) of this Section 8A.3:
 - (i) any failure or delay in the conversion or write-off of other Relevant Securities;
 - (ii) any failure or delay in giving a Trigger Event Notice;
 - (iii) any requirement to select or adjust the number or Principal Amount of Securities to be Written-Off in accordance with Section 8A.3(a)(ii)(B) or 8A.3(b); and
 - (iv) any failure or delay by a holder of a Security or any other party in complying with the provisions of Section 8A.3(g).
- (e) Each holder of Securities irrevocably:
 - (i) acknowledges and agrees that no conditions or events will affect the operation of this Section and such holder of Securities will not have any rights to vote in respect of any Write-Off under this Section; and
 - (ii) acknowledges and agrees that any failure or delay in Writing-Off a Security held by the holder pursuant to the provisions of Section 8A.3(g), shall not prevent, impede or delay the Write-Off of such Security.
- (f) For the purposes of this Section 8A.3 “**Written-Off**” shall mean that, in respect of a Security or portion thereof and a Trigger Event Date:
 - (i) the Security or portion thereof will not be redeemed under the terms hereof on any subsequent date; and
 - (ii) the rights of the relevant holder of the Security (including any right to receive any payment thereunder including payments of principal and interest both in the future and accrued but unpaid as at the Trigger Event Date) in relation to such Security or portion thereof are immediately and irrevocably terminated and written-off; and

“**Write-Off**” has a corresponding meaning.

- (g) Any Security which is to be Written-Off only in part shall be surrendered with, if the Issuer or the Fiscal Agent so requires, due endorsement by, or a written instrument of transfer in the form satisfactory to the Issuer and the Fiscal Agent

(Reverse of Security continued on next page)

duly executed by, the holder thereof or his attorney duly authorized in writing, and the Issuer shall execute, and the Fiscal Agent shall authenticate and deliver to the registered holder of such Security without service charge, a new Security or Securities of like form and tenor, of any aggregate Principal Amount equal to and in exchange for the non-Written-Off portion of the Principal Amount of the Security so surrendered.

- (h) If a Non-Viability Determination takes effect, the Issuer must perform the obligations in respect of the determination immediately on the day it is received by the Issuer, whether or not such day is a Business Day.
- (i) Where a Security is Written-Off only in part, then the amount of interest payable in respect of that Security on each Interest Payment Date falling after that Trigger Event Date will be reduced and calculated on the Principal Amount of that Security as reduced on the date of the Write-Off.

- (c) Each holder of a Security acknowledges that ANZGHL may, consolidate, divide or reclassify securities so that there is a lesser or greater number of Ordinary Shares at any time in its absolute discretion without any such action requiring any consent or concurrence of any holders of Securities.

7 NO ADJUSTMENT TO ISSUE DATE VWAP IN CERTAIN CIRCUMSTANCES

Despite the provisions of Section 5 and Section 6 of this Schedule A, no adjustment shall be made to the Issue Date VWAP where such adjustment (rounded if applicable) would be less than one percent of the Issue Date VWAP then in effect.

8 ANNOUNCEMENT OF ADJUSTMENT TO ISSUE DATE VWAP

The Issuer will notify the holder of Securities (an “Adjustment Notice”) of any adjustment to the Issue Date VWAP under this Schedule A within 10 Business Days of the Issuer determining the adjustment and the adjustment set out in the announcement will be final and binding.

9 ORDINARY SHARES

Each Ordinary Share issued or arising upon Conversion ranks pari passu with all other fully paid Ordinary Shares. The Holders of Securities agree not to trade Ordinary Shares issued on Conversion (except as permitted by the Corporations Act 2001 of Australia, other applicable laws and the ASX Listing Rules) until ANZGHL has taken such steps as are required by the Corporations Act 2001 of Australia, other applicable laws and the ASX Listing Rules for the Ordinary Shares to be freely tradeable without such further disclosure or other action and agree to allow ANZGHL to impose a holding lock or to refuse to register a transfer in respect of Ordinary Shares until such time.

10 LISTING ORDINARY SHARES ISSUED ON CONVERSION

(Reverse of Security continued on next page)

ANZGHL shall use all reasonable endeavors to list the Ordinary Shares issued upon Conversion of the Securities on the ASX.

11 ALTERNATIVE CONVERSION NUMBER

If a Principal Amount of a Security must be Converted in accordance with the terms hereof and the face of this Security specifies that the Alternative Conversion Number applies, then:

- (a) Section 1 of this Schedule A applies on the basis that the Conversion Number for the purposes of Section 1(b) of this Schedule A is the number of Ordinary Shares specified on the face of this Security as the Alternative Conversion Number (subject to the Alternative Conversion Number being no more than the Maximum Conversion Number as determined in accordance with Section 1(b) of this Schedule A); and
- (b) Sections 2 to 8 (inclusive) of this Schedule A do not apply to the Alternative Conversion Number.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“EEA”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “MiFID II”); or (ii) a customer within the meaning of Directive (EU) 2016/97, as amended, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “EU PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law in the United Kingdom by virtue of the European Union (Withdrawal) Act 2018, as amended (the “EUWA”); or (ii) a customer within the meaning of the provisions of the United Kingdom’s Financial Services and Markets Act 2000 (as amended, the “FSMA”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law in the United Kingdom by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law in the United Kingdom by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Notes or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the United Kingdom may be unlawful under the UK PRIIPs Regulation.

Notification under Section 309B(1) of the Securities and Futures Act 2001 of Singapore (the “SFA”): In connection with Section 309B of the SFA and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “CMP Regulations 2018”), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are prescribed capital markets products (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in the Monetary Authority of Singapore (the “MAS”) Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

The Issuer expects that delivery of the Notes will be made to investors on or about June 18, 2025, which will be the sixth business day following the date of pricing of the Notes (such settlement being referred to as “T+6”). Under Rule 15c6-1 of the U.S. Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in one business day unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes on the date of pricing or the next four succeeding business days will be required, by virtue of the fact that the Notes initially will settle in T+6, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade Notes on the date of pricing or the next four succeeding business days should consult their own advisor.

Schedule 3 – Description of rights and liabilities attaching to ANZGHL Ordinary Shares

The rights and liabilities attaching to ANZGHL Ordinary Shares are set out in the ANZGHL constitution ("**Constitution**") and are also regulated by the Corporations Act, the ASX Listing Rules and the general law. A summary of the key rights attaching to ANZGHL Ordinary Shares is set out below. Any ANZGHL Ordinary Shares issued upon Conversion of the Subordinated Notes will be fully paid ANZGHL Ordinary Shares.

Voting rights

Subject to any rights or restrictions attached to any shares or class of shares, registered holders of an ANZGHL Ordinary Share ("**ANZGHL Shareholder**") are entitled to attend and vote at a general meeting of ANZGHL. Any resolution being considered at a general meeting is decided on a show of hands unless a poll is held. On a show of hands, each ANZGHL Shareholder present has one vote.

On a poll, each ANZGHL Shareholder has one vote for each ANZGHL Ordinary Share. Partly paid ANZGHL Ordinary Shares confer that fraction of a vote which is equal to the proportion which the amount paid bears to the total issue price of the ANZGHL Ordinary Share.

General meetings

Notice of a general meeting must be given to each ANZGHL Shareholder in accordance with the Corporations Act. Each ANZGHL Shareholder is entitled to receive notices, financial statements and other documents required to be provided to ANZGHL Shareholders under the Constitution, Corporations Act and ASX Listing Rules.

Dividend entitlement

Subject to the Corporations Act, the Constitution and the terms of issue of ANZGHL Ordinary Shares, the board of directors of ANZGHL ("**ANZGHL Board**") may resolve to pay dividends on ANZGHL Ordinary Shares which are considered by the ANZGHL Board to be appropriate, in proportion to the capital paid up on the ANZGHL Ordinary Shares held by each ANZGHL Shareholder.

Payment of a dividend on ANZGHL Ordinary Shares may also be restricted by the terms of preference shares and other hybrid securities carrying a prior right to the payment of a dividend or distribution. Before paying any dividend, directors of ANZGHL must ensure that they are in compliance with APRA prudential standards.

Dividend reinvestment plan and bonus option plan

ANZGHL Shareholders who are eligible may participate in ANZGHL's dividend reinvestment plan or bonus option plan, as in force from time to time, in accordance with (and subject to) the rules of those plans. ANZGHL Shareholders who are subject to the laws of a country or place other than Australia may not be eligible to participate, because of legal requirements that apply in that country or place or in Australia. Until the ANZGHL Board otherwise determines, participation in ANZGHL's dividend reinvestment plan and bonus option plan is not available directly or indirectly to any entity or person (including any legal or beneficial owner of ANZGHL Ordinary Shares) who is (or who is acting on behalf of or for the account or benefit of an entity or person who is) in or resident in the United States (including its territories or possessions) or Canada.

Rights of ANZGHL Shareholders on a winding-up of ANZGHL

If ANZGHL is wound up and its property is more than sufficient to pay all debts, share capital of ANZGHL and expenses of the winding-up, the excess must be divided among ANZGHL Shareholders in proportion to the capital paid up on the ANZGHL Ordinary Shares at the commencement of the winding-up (subject to the rights of holders of shares carrying preferred rights on winding-up). A partly paid ANZGHL Ordinary Share is counted as a fraction of a fully paid ANZGHL Ordinary Share equal to the proportion which the amount paid on it bears to the total issue price of the ANZGHL Ordinary Share.

However, with the sanction of a special resolution, the liquidator may divide among ANZGHL Shareholders the assets of ANZGHL in kind and decide how the division is to be carried out or vest assets in trustees of any trusts for the benefit of ANZGHL Shareholders as the liquidator thinks appropriate.

Transfer of ANZGHL Ordinary Shares

ANZGHL Ordinary Shares may be transferred by any means permitted by the Corporations Act or by law. The ANZGHL Board may decline to register a transfer where permitted to do so under the ASX Listing Rules or the settlement operating rules of the ASX ("**ASX Settlement Operating Rules**"), or where registration of the transfer is forbidden by the Corporations Act, ASX Listing Rules or ASX Settlement Operating Rules. In addition, subject to the Corporations Act, ASX Listing Rules and ASX Settlement Operating Rules, the ANZGHL Board may decline to register a transfer if registration would create a new holding of less than a marketable parcel under the ASX Listing Rules.

Issues of further shares

Subject to the Constitution, Corporations Act and ASX Listing Rules, the ANZGHL Board may issue or grant options in respect of ANZGHL Ordinary Shares on such terms as the ANZGHL Board decides. The ANZGHL Board may also issue preference shares, including redeemable preference shares, or convertible notes with preferred, deferred or special rights or restrictions in relation to dividends, voting, return of capital and participation in surplus on a winding-up of ANZGHL.

Variation of the Constitution

The Constitution can only be modified by a special resolution in accordance with the Corporations Act. Under the Corporations Act, for a resolution to be passed as a special resolution it must be passed by at least 75 per cent. of the votes cast by members entitled to vote on the resolution.

Variation of rights

ANZGHL may only modify or vary the rights attaching to any class of shares with the prior approval, by a special resolution, of the holders of shares in that class at a meeting of those holders, or with the written consent of the holders of at least 75 per cent. of the issued shares of that class.

Subject to the terms of issue, the rights attached to a class of shares are not treated as varied by the issue of further shares which rank equally with that existing class for participation in profits and assets of ANZGHL.

Arrangements for holding and transfers of ANZGHL's Ordinary Shares

Holdings and transfers of legal title to ANZGHL Ordinary Shares are recorded and effected via CHESS. CHESS is used to facilitate the clearing and settlement of trades in shares and to provide an electronic subregister for shares in companies listed on ASX.

Deed of Undertaking

In respect of its obligations in connection with Conversion of Subordinated Notes, ANZGHL has entered into the Deed of Undertaking for the benefit of the holders of Subordinated Notes, which are subject to Conversion into ANZGHL Ordinary Shares. Under the Deed of Undertaking ANZGHL undertakes to perform its obligations relating to a Conversion (including in connection with the issue and delivery of ANZGHL Ordinary Shares to holders of Subordinated Notes upon a Conversion), to use all reasonable endeavours to list and procure quotation of the ANZGHL Ordinary Shares issued or arising from a Conversion on the ASX, to ensure that the ANZGHL Ordinary Shares issued or arising from a Conversion will rank equally with all other fully paid ANZGHL Ordinary Shares, and from the applicable Trigger Event Date (subject to the provisions of the Subordinated Notes relating to Write-Off), to treat each holder of Subordinated Notes as the holder of the Conversion Number of ANZGHL Ordinary Shares and will take all such steps, including updating any register, required to record the Conversion, and to otherwise comply with the terms of the Subordinated Notes.

ANZGHL has no other obligation or liability in respect of any Subordinated Note or portion thereof. The remedies of a holder in respect of any failure of ANZGHL to issue the ANZGHL Ordinary Shares upon a Conversion are limited in accordance with the terms of the Subordinated Notes and the Deed of Undertaking, which provide that holders have no rights against ANZGHL in respect of the Subordinated Notes other than (and subject always to where Write-Off applies) to seek specific performance of the obligation to issue the ANZGHL Ordinary Shares. The making of an order for specific performance is in the discretion of the court.
