

Tony Warren

BCom, BA (Hons) PhD

Group Head Corporate Affairs

Skills, experience and expertise

Dr Tony Warren has been Group General Manager Communications and Public Affairs at ANZ since October 2017. Reporting to the CEO, Tony has responsibility for Government Relations, Public Policy, External and Internal Communications and Sustainability. Tony leads a team of some 130 experts across a range of fields. He has accountability for managing relationships with ANZ's wide range of significant stakeholders, the external environment, staff communications and corporate reputation.

Prior to joining ANZ Tony was Group Executive of Corporate Affairs at Telstra where he also had primary carriage for engagement with Australia's National Broadband Network, leading negotiations that culminated in a multibillion-dollar deal to sell the Telstra Fixed Access Network back to the Australian Government.

Prior to joining Telstra in 2002, Tony was a Director of the Network Economics Consulting Group (NECG), where he was instrumental in building NECG into one of Australia's premier regulatory economics consulting firms.

Tony has a PhD in Politics and International Relations from Australian National University. He lives in Canberra with his wife and three children.
